

HOW WE ENJOY OUR DAY

Daily routine is subject to changes at anytime as the teacher may find it necessary to accommodate the well-being and interests of the children.

Arrival Routine: We welcome the children. This is a transitional time and greeting is a practical skills developed at young that lasts a lifetime. Please, encourage your child to say good morning to the teacher.

Discovery and Exploration: Free exploration/learning centers (provocation center) prepared by the teachers and project work/small group activities or special whole class activity (music, large scale art making, etc.)

Community meeting: Children will gather as a group to share thoughts and ideas for the day, ask questions and set expectations that will be carefully observed by the teacher and integrated in the curriculum.

Outdoor Active Learning: During outdoor activities, children develop large motor skills while exploring open space and freedom to move around.

Washing Hands: Children are taught how to properly wash their hands, a daily practice of healthy and self-caring awareness.

Snack Time: Children seat together to enjoy nutritious fruits and veggies.

Lunch Time: Children enjoy nutritious meals together inside or outside.

Resting Time: Teacher will play soft music and dim the lights while children sleep. Children are required to rest during this time.

Cozy Time: A quiet and cozy time to read books while children are waking up from nap.

Afternoon Play: Children will have freedom to choose their play and activity.

Dismissal Routine: Children change their shoes, gather their belongs and say goodbye to their friends and teacher.
